Thoughts lead on to purposes; purposes go forth in action; actions form habits; habits decide character; and character fixes our destiny.

- [Tyron Edwards](#)

You will never find time for anything. If you want the time, you must make it.

- [Charles Buxton](#)

All successful people men and women are big dreamers. They imagine what their future could be, ideal in every respect, and then they work every day toward their distant vision, that goal or purpose.

- [Brian Tracy](#)

Remember you will not always win. Some days, the most resourceful individual will taste defeat. But there is, in this case, always tomorrow - after you have done your best to achieve success today.

- [Maxwell Maltz](#)

We are not in a position in which we have nothing to work with. We already have capacities, talents, direction, missions, callings.

- [Abraham Maslow](#)

People become really quite remarkable when they start thinking that they can do things. When they believe in themselves they have the first secret of success.

Lesson in Life

ATTITUDE

A little boy went into a drug store, reached for a soda carton and ask him for a Phone Call.

Shop-owner replied sweetly this is not a STD, but you can do one call.

The store-owner observed and listened to the conversation:

The boy asked, "Lady, Can you give me the job of cutting your lawn?"

The woman replied, "I already have someone to cut my lawn."

"Lady, I will cut your lawn for half the price of the person who cuts your lawn now." replied boy.

The woman responded that she was very satisfied with the person who was presently cutting her lawn.

The little boy found more perseverance and offered, "Lady, I'll even sweep your curb and your sidewalk, so on Sunday you will have the prettiest lawn in all of North-Palm beach, Florida."

Again the woman answered in the negative.

With a smile on his face, the little boy replaced the receiver.

The store-owner, who was listening to all this, walked over to the boy and said," Son... I like your attitude; I like that positive spirit and would like to offer you a job."

The little boy replied, "No thanks, I was just checking my performance with the job I already have. I am the one who is working for that lady, I was talking to!"
