# INSPIRATIONAL QUOTES

We must become the change we want to see.

**Mahatma Gandhi**

"All our dreams can come true, if we have the courage to pursue them."

**Walt Disney**

When you make a mistake, don't look back at it long. Take the reason of the thing into your mind, and then look forward. Mistakes are lessons of wisdom. The past cannot be changed. The future is yet in your power.

**Phyllis Bottome**

"When one door closes, another opens; but we often look so long and so regretfully upon the closed door that we do not see the one which has opened for us." –

**Alexander Graham Bell**

"Yesterday is history, tomorrow is a mystery. And today? Today is a gift. That's why we call it the present." –

**B. Olatunji**

"What you are is what you have been. What you'll be is what you do now." –

**Buddha**

You cannot control what happens to you, but you can control your attitude toward what happens to you, and in that, you will be mastering change rather than allowing it to master you.

**Sri Ram**

"Thinking will not overcome fear, but action will."

**W. Clement Stone**

# Lesson in Life

## Learn & Earn

Chuan and Jing joined a wholesale company together just after graduation. Both worked very hard.

After several years, the boss promoted Jing to sales executive but Chuan remained a sales rep. One day Chuan could not take it anymore, tender resignation to the boss and complained the boss did not value hard working staff, but only promoted those who flattered him.

The boss knew that Chuan worked very hard for the years, but in order to help Chuan realize the difference between him and Jing, the boss asked Chuan to do the following. Go and find out anyone selling water melon in the market? Chuan returned and said yes. The boss asked how much per kg? Chuan went back to the market to ask and returned to inform boss the \$12 per kg.

Boss told Chuan, I will ask Jing the same question? Jing went, returned and said, boss, only one person selling water melon. \$12 per kg, \$100 for 10 kg, he has inventory of 340 melons. On the table 58 melons, every melon weighs about 15 kg, bought from the South two days ago, they are fresh and red, good quality.

Chuan was very impressed and realized the difference between himself and Jing. He decided not to resign but to learn from Jing.

My dear friends, a more successful person is more observant, think more and understand in depth. For the same matter, a more successful person sees several years ahead, while you see only tomorrow. The difference between a year and a day is 365 times, how could you win?

Think! how far have you seen ahead in your life? How thoughtful in depth are you?

# ACT OF BRAVERY

Mr. Reeturaj Thakur (Sr. Manager TRG) rewarding Mr.Pawan Kumar (Security Guard) of Inter Gold Gem for exhibiting his Brave act on duty. Pawan Kumar was asked by some people to handover the keys of the showroom to them. But he did not give them keys, even after getting beatings from them. He alone fought with them and saved the property. It shows the level of commitment of our Guards. They actually live upto our Motto, “Ever Aleart” and “Born to Protect”.
